Q: When do I need to register my student?

Please complete your student’s registration before the first day of school. Some school sites also have walk-through registration. The school registration dates will be posted on school websites by June 1, 2018.

Q: Do I have to complete the Annual Update before I can register my student?

No, you can register your student before completing the Annual Update. We ask that you complete both items, you may choose the order in which you complete them.

Q: Do I have to complete the Annual Update before my student can start school on August 13th?

No, it is not a requirement to complete the Annual Update in order to start school.

Q: If I don’t see my student in the Portal should I enroll them again?

No. If your child is enrolled for the 18-19 school year they will not appear as student until the Annual Update portal opens in July. There is no need to add your student if you have already done so. When “Annual Update” (Fall Registration) opens in July your student will be listed.

Q: How can I retrieve my user name and password?

Parents need to set up an account security email in Account Settings in Campus Portal. Once that email has been setup parents will be able to retrieve their user name and/or password by using the “Forgot Password” or “Forgot your username” links on the Campus portal login screen.
Q: What is the difference between the Annual Update and Registration?

The Annual Update is a district-wide process held each year to verify household and emergency contact information as well as complete annual release acknowledgement and permission requirements. Registration is school site specific, regarding activities such as volunteer opportunities, PTA membership, band, graduation, etc.

Q: What should I do if I see a blank screen when I login to the website?

The Internet Explorer browser may not work properly. Please try a different browser like Firefox, Safari or Google Chrome.

Q: Why does the school of residence still appear on the screen even though my student’s attending another school?

Your physical address is associated with a resident school. If your child is attending another school in our district please follow up with that school to complete the fall registration process.

Q: Can I complete the Annual Update if my student’s primary household is not with me?

You will not be able to complete the Annual Update for this student. Only the parent living in the student’s primary household will have access to complete the Annual Update.

Q: How do I correct or remove Emergency Contacts?

Add new Emergency contacts in the Emergency Contact section of Annual Update. Emergency contacts are removed in the Student section of Annual Update. There will be a remove button next to each contact listed.

Q: What if I haven’t set up my account security email in Account Settings in the portal or don’t remember my email account?

If you are unable to automatically retrieve your password and/or username using the links for Forgot password or Forgot your username, send an email to portalhelp@srvusd.net for assistance.

Q: I need some help, who should I contact?
