SAN RAMON VALLEY UNIFIED SCHOOL DISTRICT
Pesticide Use Communication Process

CITY OF SAN RAMON
The City and its Contractors send spray requests to SRVUSD Maintenance Dept.

SRVUSD MAINTENANCE
The District receives and reviews all spray requests (to keep control of all Pesticide use)

TOWN OF DANVILLE
The Town and its Contractors send spray requests to SRVUSD Maintenance Dept.

MAINTENANCE AND GROUNDS
Kelsey Bollenbach receives spray requests and send information 72 hours before requested spray application date. Once posting is confirmed by SRVUSD Maintenance, then the requester is notified that the use of Pesticide, Herbicide, Rodenticide or Fertilizer has been authorized. (Cc: Craig Cesco and Stuart Watson)

SCHOOL SITES
School Sites are given notification of spraying activity via the District E-Mail.

PARENT/GUARDIAN GROUPS
Parent/Guardian notifications are sent through the Infinite Campus Parent Portal 72 hours before intended spray date(s). Individuals can register online for spray notifications through the District website.

POSTING
Posting is completed by the intended applicators 72 hours before spraying. Posting is removed 24 hours after actual spray date(s).
